At 7:30 PM - Anthony Hall**

Brother Glenn Hilton is responsible for September's refreshments.

RELAY FOR LIFE

Thanks for all who walked and donated to help our two Knights of Columbus 2439 teams help the American Cancer Society on July 11th and 12th at the Stayton Relay for Life. The event raised over \$83,000 for cancer research and to help cancer victims. Our two teams had a lot of fun along with knowing they were working for a great cause!
George and Margie Gerspacher, Chairpersons

HIGHWAY CLEANUP

Knights participated in the Adopt a Highway quarterly cleanup in July. Coffee and doughnuts were provided by Brother Kendal Smith, and the weather was excellent. Approximately 40 golf balls were recovered and divvied up. Come join us at the next cleanup! Thanks to Deputy Grand Knight Kendal Smith for coordinating this cause.

SANTIAM CANYON STAMPEDE

The Knights of Columbus once again volunteered at the Santiam Canyon Stampede parking cars. This event is a great source of income for our council. Last year our council earned almost a thousand dollars for helping at this event. Many Knights volunteered their time at this event!

HARVEST FESTIVAL VOLUNTEER OPPORTUNITY

There are still spots available for the Harvest Festival DD Booth work schedule. It's a great way to get into the festival and still help earn money \$\$\$ for our club. Minors can help work the booth on Thursday Evening and Sunday. Please contact Glenn Hilton (503) 769-9010 or nsantiamfs@wvi.com.

FUNDRAISER

We are still collecting cell phones, digital cameras and camcorders, DVDs, and used inkjet cartridges for our EcoPhones fundraiser. Save them and bring them to our monthly meeting or call or email Kent Purdy to have them picked up. Thanks!

CONGRATULATIONS

We have two new third degree Knights in our council. Brother Poul Lundgren participated in the first, second, and third degree ceremonies and Brother Jim Liesch participated in the second and third degree ceremonies on July 12, 2008 at Resurrection Parish in Tualatin. Please congratulate these Knights if you see them! A second and third degree ceremony at St. Anthony Hall may be coming soon. Further details will be included in future bulletins as they become available.
